

Two String Horse Marionette

- 1) Enlarge pattern to 133% onto 11" X 17" cardstock and cut out pattern.
- 2) Decorate horse with markers, stickers, feathers, etc.
- 3) Glue mylar fringe to back of one half with glue stick, fold at tail, and glue halves together.
- 4) Punch holes for strings at tail and ear and attach strings.
- 5) Attach strings to either end of 9" dowel.
- 6) Take your horse out for a gallop. Rock the dowel just slightly to give him a nice run.
